1. Opening

Welcome by incoming chairman PHB, Simon Lorillière.

Unfortunately Philip Coward, chairman of the WG PHB for 25 years had to apologize for this meeting due to personal circumstances.

Formal election of Simon as new chairman PHB.

2. Report of the meeting of the WG PHB, held on 21 April 2023 in London

This report is enclosed.

- Review of both presentations on Carbon footprint in your own business and sustainable materials discussion
- Impact of the PPWR

3. PHB formal matters

a. Charter infringements

- To note any infringements
- Status infringement Hedgehog (China)

b. Registered PHB companies

- Group of registered companies unchanged
- All French registered companies are for this year individual FEIBP / Charter member
- From 2024 the new French brushmakers Association will become FEIBP association member and then no invoices for individual membership French companies.

European Brushware Federation

c. Rules Charter

Following last meeting this labelling rule is proposed.

Paragraph 2.6 of the Charter will be changed:

Deleted will be “*Labelling is not allowed*”

Replaced by:

“Labels can be attached to products, but the label material and the adhesive must comply with present hygiene regulations. The label should be easily removed without leaving adhesive on the product. It is recommended that the label text should contain a warning that it must be removed before the product is used”

d. Standards applicable to the Charter

- To not any updates of the list
- Potential contract with an online research programme supplier

e. PR for the Charter / further improvement market position

4. Market situation in general and the sub-sector hygiene brushware

5. Any other business

6. Next meetings WG PHB

In conjunction with WBE Bologna (May 2024) and Ibiza congress 2024 (October 2024)

7. Closure
